### **Confidentiality and personal data**

The personal information you send us is strictly confidential. It may not be passed on to third parties without your consent. To find out more about the protection of your data, see the [privacy policy](#).

### **Intellectual property**

The site and each of its components, in particular the graphic elements, text, images, databases, programmes and IT developments of the site as well as the company names, brands and logos are the exclusive property of the Publisher. Except for the exclusive purposes of information for personal and private use, any reproduction, distribution or use of any kind whatsoever without the express authorisation of the Publisher is prohibited. Any reproduction, imitation, extraction or re-use shall engage the responsibility of its author.

### **Responsibility**

The Publisher undertakes to make every effort to ensure that users can access the site at all times. The Publisher reserves the right to correct and update the content of this site at any time and without prior notice. In addition, the Publisher declines all responsibility, for whatever reason, in the event of delays, errors or omissions in the content of these pages, as well as in the event of interruptions, technical problems, including connection problems on the site, or non-availability of the site.

The Publisher reserves the right, for any reason whatsoever and without prior notice, to terminate, modify, suspend or interrupt access to all or part of the site.

The Publisher does not guarantee that the server hosting the site is free of viruses or other logical infections, or that a technical problem or deterioration may occur that could damage the components of the user's computer or data that may be stored there.

### **Hypertext links**

The site contains hypertext links providing access to sites that are not published by the Publisher. Consequently, the Publisher cannot be held responsible for the content of these sites or for any element or service presented on these sites and to which you may have access in this way.

Similarly, the consultation and collection of personal data on these sites are subject to these sites' own conditions of use and protection.

The creation of hypertext links to the site is subject to prior authorisation from the Publisher.

### **Cookies**

Cookies are text files placed on your device (computer, mobile phone, tablet) when you visit a website. They record information about your browsing on this site. Cookies can only be viewed or modified by the sender. For more information, see the [privacy policy](#).
